

§ 941.205

(3) Other Federal requirements, including any Federal fire-safety requirements and HUD minimum property standards (e.g., 24 CFR part 200, subpart S, and § 941.208).

(c) Projects for families with children shall consist to the maximum extent practicable of low-density housing (e.g., non-elevator structures, scattered sites or other types of low-density developments appropriate in the community).

(d) High-rise elevator structures shall not be provided for families with children regardless of density, unless the PHA demonstrates and HUD determines that there is no practical alternative. High-rise buildings for the elderly may be used if the PHA demonstrates and HUD determines that such construction is appropriate, taking into consideration land costs, the safety and security of the prospective occupants, and the availability of community services.

§ 941.205 PHA contracts.

(a) *ACC requirements.* In order to be considered as eligible project expenses, all development related contracts entered into by the PHA shall provide for compliance with the provisions of the ACC.

(b) *Contract forms.* HUD may prescribe the form of any development related contracts, and the PHA shall use such forms. If a form is not prescribed, the PHA may develop its own form; however, it must contain all applicable federal requirements.

(c) *When HUD approval is required.* The PHA is authorized to execute all development-related contracts without prior HUD review or approval with the exception of:

(1) All forms of site or property acquisition contracts regardless of development method; and

(2) Contracts whose amount exceeds a contract approval threshold established by HUD for that PHA; and

(3) A contract for the selection of a program manager to develop and implement the PHA's proposal (see § 941.201(c)).

(d) Each PHA shall certify before executing any contract with a contractor that the contractor is not suspended,

24 CFR Ch. IX (4-1-00 Edition)

debarred, or otherwise ineligible under 24 CFR part 24. The PHA also shall ensure that all subgrantees, contractors, and subcontractors select only contractors who are not listed as suspended, debarred, or otherwise ineligible under 24 CFR part 24.

§ 941.207 Displacement, relocation, and acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, the PHA shall assure that it has taken all reasonable steps to minimize the displacement of persons (households, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) *Temporary relocation.* Only residential tenants who are eligible under 24 CFR 913.103 and who meet the PHA standards for tenancy established pursuant to 24 CFR 960.204 will be permitted to continue in occupancy. Any residential tenant who (though not required to move permanently) must relocate temporarily (e.g., to permit rehabilitation or major reconstruction) shall be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporary housing, any increase in monthly rent/utility costs and incidental expenses.

(2) Appropriate advisory services, including reasonable advance written notice of:

(ii) The location of the suitable, decent, safe and sanitary housing to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary
